

## WELCOME TO PLONKERS

Since the early 1980's, Plonkers has been serving high quality homecooked food, combined with an unparalleled number of quality Beers, Wines and Spirits. We pride ourselves on being completely independent, which allows us to use the best of local produce, untied to any suppliers or chains. We source our meat, fish and vegetables locally, and serve and support many local breweries and drinks makers.

The name Plonkers, comes from the word Plonk, which was used to describe cheap French table wine in the 1980s (although research suggests the Aussies coined the word before the Brits!).

Come and enjoy the friendly atmosphere either within our unique building or out on the iconic Riverside, a location which is hard to beat! At Plonkers we aim to provide the very best personal service to all our customers and continue to support the many local breweries and suppliers.

We hope you enjoy your visit!

The Plonkers Team
